REQUISITION FOR AN EXTRAORDINARY GENERAL MEETING OF THE UGANDA LAW SOCIETY PURSUANT TO SECTION 16 OF THE UGANDA LAW SOCIETY ACT

TO : The President, Secretary and Governing Council of the Uganda Law Society

FROM: Advocate Ssali Babu & Others undersigned

DATE: 10 September 2025

RE : **Requisition for an Extraordinary General Meeting to Consider and Approve a Resolution to Repudiate and Condemn the Actions of Phillip Munaabi and Geoffrey Turyamusiima, Pass a Motion of Censure, Remove them from the Governing Council, Ban Them from Council & Society Leadership for 35 Years, and Refer Them to the Law Council and the Police for Disciplinary and Criminal Action**

WHEREAS:

1. The Uganda Law Society (ULS) is established under the Uganda Law Society Act (Cap. 305) as the professional body for advocates in Uganda, tasked with upholding the rule of law, integrity, and professionalism within the legal profession;
2. On 23 November 2024, Phillip Munaabi, the then-Secretary of the ULS, and Geoffrey Turyamusiima, a Council Member representing the Central Region, issued and publicized a document titled **"Council Order No. 1 of 2024: Expulsion of the President and Vice President from the Uganda Law Society Council,"** purporting to expel ULS President Isaac Ssemakadde and Vice President Anthony Asiimwe based on unverified allegations of misconduct;
3. The aforementioned document, widely circulated on social media, was condemned by the majority of the ULS Governing Council, including the President, Vice President, Treasurer, and regional representatives for Eastern, Northern, and Western Regions, as unauthorized, unlawful, and subversive, constituting an attempted coup d'état against the duly elected leadership of the ULS;
4. The ULS Governing Council, in an urgent electronic meeting held on 24 November 2024, condemned the actions of Munaabi and Turyamusiima, describing them as a "minority" acting outside their mandate, engaging in fraudulent use of signatures, fabricating false council records, intimidating ULS staff, and undermining the integrity of the Society;
5. Munaabi and Turyamusiima conspired to manipulate the election for the East Africa Law Society (EALS) **Deputy Secretary General & Young Lawyers representative to the Council** at the 29th EALS Annual Conference & General Meeting on 30 November 2024 in Munyonyo. **Munaabi misrepresented eligibility criteria, imposing an erroneous age floor of 35 years (instead of a ceiling of 35) and a prohibitive $1,000 nomination fee (instead of none), to favour Turyamusiima, who was ineligible,** thereby disenfranchising eligible ULS Young Lawyers and bringing the Society into disrepute;

6. The actions of Munaabi and Turyamusiima, unrepented and compounded by further acts of defiance and intrigue, have eroded public confidence in the ULS, caused significant reputational damage, alienated stakeholders, and threatened the Society's democratic governance and operational stability;
7. The ULS Governing Council suspended Munaabi and Turyamusiima on 24 November 2024, pending a general meeting scheduled for 17 December 2024 to consider their removal, and appointed Eddie Nangulu as interim Secretary;
8. The conduct of Munaabi and Turyamusiima violates the principles of accountability, transparency, and professionalism enshrined in the Uganda Law Society Act and the Advocates (Professional Conduct) Regulations, necessitating decisive action to safeguard the Society's reputation and governance; and
9. The ULS Governing Council, in fulfillment of its fiduciary duty, referred Munaabi and Turyamusiima to the police (Kira Road Police Division GEF: 058/2025) for investigation of their potentially criminal conduct;

NOW, THEREFORE, WE, THE UNDERSIGNED MEMBERS OF THE UGANDA LAW SOCIETY, in accordance with Section 16 of the Uganda Law Society Act, hereby requisition an Extraordinary General Meeting of the Uganda Law Society to be convened for the following purposes:

AGENDA OF THE EXTRAORDINARY GENERAL MEETING:

1. **Repudiation and Condemnation of an Attempted Coup d'état:**
   - To formally repudiate and condemn the unauthorized issuance of **"Council Order No. 1 of 2024"** on 23 November 2024 by Phillip Munaabi, and its publicization in cahoots with Geoffrey Turyamusiima, as an unlawful attempt to expel the ULS President and Vice President and subvert the Governing Council; and
   - To declare the said actions as contrary to the Uganda Law Society Act and detrimental to the Society's integrity and reputation.

2. **Repudiation and Condemnation of Election Interference:**
   - To formally repudiate and condemn the fraudulent interference by Munaabi and Turyamusiima in the EALS election on 30 November 2024, which disenfranchised eligible ULS Young Lawyers and undermined the Society's standing; and
   - To declare these actions as subversive, contrary to the principles of the Uganda Law Society Act, and detrimental to the Society's integrity and reputation.

3. **Motion of Censure:**
   - To pass a motion of censure against Phillip Munaabi and Geoffrey Turyamusiima for their unrepentant conduct, their engagement in unauthorized and fraudulent actions, and their attempts to undermine the democratic governance of the ULS.

4. **Removal from the Governing Council:**
   - To resolve, pursuant to the powers of the general meeting under the Uganda Law Society Act and the Regulations thereunder, to remove Phillip Munaabi and Geoffrey Turyamusiima from their positions as members of the ULS Governing Council with immediate effect.

5. **Leadership Ban:**
   - To resolve that Phillip Munaabi and Geoffrey Turyamusiima be banned from holding any leadership position within the ULS Governing Council, its committees, or any representative role for a period of thirty-five (35) years, to deter future subversive conduct and protect the Society's governance.

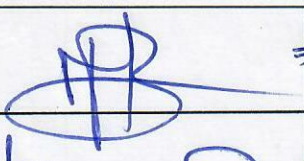

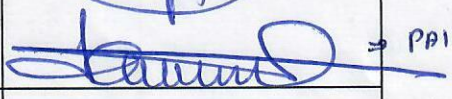

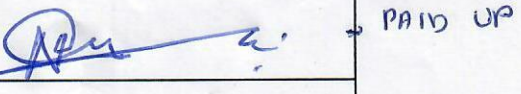

6. **Referral for Disciplinary and Criminal Action:**
   - To resolve that Phillip Munaabi and Geoffrey Turyamusiima be referred to **the Law Council for disciplinary action and to the police for further investigation and potential prosecution**, to uphold the Society's integrity and deter similar misconduct.

WE, THE UNDERSIGNED MEMBERS OF THE UGANDA LAW SOCIETY, hereby submit this requisition to the President and/or Secretary of the ULS and request that an Extraordinary General Meeting be convened within the timeframe stipulated by Section 16 of the Uganda Law Society Act.

REQUISITION FOR AN EXTRAORDINARY GENERAL MEETING OF THE UGANDA LAW SOCIETY PURSUANT TO SECTION 16 OF THE UGANDA LAW SOCIETY ACT

10th September, 2025.

To:
The Secretary and Council
Uganda Law Society, ULS House, Plot 5A1,
John Babiiha Road, Kampala

From: Members of the Greater
Masaka Bar and Supporting ULS
Members

Date: September 10, 2025.

Subject: Requisition for an
Extra Ordinary General Meeting to Condemn, Censure, and Remove
Mr. Geofrey Tuyamusiima as Central
Region Representative.

WHEREAS:

1. The Uganda Law Society (ULS) established under the Uganda Law Society Act, Chapter 14, Laws of Uganda, is mandated to uphold the rule of Law, promote access to justice, and represent the interest of its members and the public in matters concerning the administration of justice.
2. The Greater Masaka Bar, a chapter of the Uganda Law Society, initiated a sit-down strike commencing **on June 12, 2025**, to protest the chronic shortage of judicial officers and the severe case backlog at the Masaka High Court Circuit, which serves over two million people across ten districts, including Masaka District, Masaka City, Kalangala, Rakai, Kyotera, Sembabule, Bukomansimbi, Lwengo, Kalungu, Lyantonde and Mpigi.
3. The strike was promoted by longstanding frustrations over the deployment of only one High Court Judge to handle over **4,600** pending cases, resulting in significant delays in the administration of justice and undue hardship for litigants.
4. The Greater Masaka Bar's action received expressions of concern, support, and solidarity from several members and leaders of the Uganda Law Society, including high-level engagements with the Radical New Bar ULS leadership, which culminated in

productive discussions with the Judiciary, leading to commitments to deploy visiting judges and increase court sessions.

5. Despite the widespread support within the ULS and the critical nature of the issues raised by the Greater Masaka Bar, Mr. Geofrey Tuyasiima, the Central Region Representative on the ULS Council, has remained silent and indifferent, failing to publicly address or support the legitimate concerns of the Greater Masaka Bar, a significant portion of his constituency.
6. The silence and indifference of Mr. Tuyamusiima constitute a dereliction of his duties as a Council member, undermining the unity advocacy, and leadership expected of a representative of the Central Region, particularly in a matter affecting access to justice and the welfare of ULS members and their clients.
7. The inaction of Mr. Tuyamusiima has been perceived as a failure to uphold the objectives of the ULS, including the promotion of members' interests and the advancement of justice, thereby eroding confidence in his leadership among member of the Society.

NOW THEREFORE, WE, THE UNDERSIGNED MEMBERS OF THE UGANDA LAW SOCIETY, HEREBY REQUISITION AN EXTRAORDINARY GENERAL MEETING PURSUANT TO SECTION 16 OF THE UGANDA LAW SOCIETY ACT FOR THE FOLLOWING PURPOSES:

1. To formally condemn the silence and indifference of Mr. Geofreey Tuyamusiima, Central Region Representative, in response to the Greater Masaka Bar's sit-down strike, which addressed critical issues of judicial understaffing and case backlog affecting the administration of justice.
2. To censure Mr. Geofrey Tuyamusiima for his failure to engage with or support the Greater Masaka Bar's efforts, thereby neglecting his responsibilities as a representative of the Central Region and a member of the ULS Council.
3. To consider and vote on a resolution to remove Mr. Geofrey Tuyamusiima from his position as Central Region Representative on the ULS Council on grounds of dereliction of duty and failure to represent the interests of his constituency.

4. To deliberate on additional measures to strengthen the Society's Advocacy for judicial reforms, including the expedited disposal of the Acting Judges Case before the Supreme Court of Uganda **(Constitutional Appeal No. 7 of 2023 AG v. DR. BUSINGYE KABUMBA & ANOTHER)**, full implementation of the **Electronic Court Case Management Information System (ECCMIS)** across the county, the deployment of additional resident judges and registrars in the Greater Masaka Region, the increasing of the pecuniary jurisdiction ceiling for magistrates, and the resolution of internal governance issues within the ULS to ensure robust representation.

Salutations,

RE: PETITION TO THE UGANDA LAW SOCIETY TO ORGANISE ELECTIONS FOR THE POSITION OF DEPUTY SECRETARY GENERAL (YOUNG LAWYERS' REPRESENTATIVE TO THE EAST AFRICA LAW SOCIETY GOVERNING COUNCIL)

I write as a member of the Uganda Law Society (ULS) to formally petition Council regarding the failure to organise elections for the position of Deputy Secretary General (Young Lawyers' Representative to the East Africa Law Society (EALS) Governing Council.

On 13th November 2024, the ULS Secretariat, acting on behalf of the EALS, issued a call for nominations for the above position. Subsequently, on 28th November 2024, the Secretariat nullified the flawed nomination process and called for a fresh expression of interest. Members were expressly assured that elections would be held during the 29th EALS Annual Conference and General Meeting at Speke Resort Munyonyo.

Regrettably, no such elections were conducted. The position remains vacant, leaving young Ugandan lawyers without the representation they are entitled to and deserve. As a result, the EALS has had to extend the tenure of the previous post holder, Honourable Minani Salvator from the Burundi Bar, pending the formal announcement of his replacement by the responsible Bar Association of Uganda.

This inaction cannot be treated as a minor lapse; it undermines the credibility of the Uganda Law Society, erodes the confidence of its young members, and weakens Uganda's influence at the regional level.

Accordingly, with the support of my undersigned colleagues, I hereby respectfully request that the ULS Council, pursuant to Section 16 of the Uganda Law Society Act, take the necessary steps to:

1. Immediately organizes elections for the position of Deputy Secretary General (Young Lawyers' Representative to the EALS Governing Council).
2. Publishes a clear and transparent roadmap with timelines for nominations, campaigns, and voting.
3. Provides accountability to members for the failure to conduct the elections as earlier promised and communicated.

This matter transcends procedure. It touches the very integrity of our Society and its duty to inclusivity, accountability, and fair representation. Young lawyers must have a voice at the regional level, and Council has an obligation to deliver on its commitments.

I urge Council to act expeditiously to restore confidence among members and to ensure Uganda is no longer absent from critical decision-making within the EALS Governing Council.

Yours faithfully,

Alfred Muyaaka
Advocate, Member of Uganda Law Society & East Africa Law Society.

REQUISITION FOR AN EXTRAORDINARY GENERAL MEETING OF THE UGANDA LAW SOCIETY TO ADDRESS THE APPALLING STATE OF SANITATION FACILITIES IN COURT PRECINCTS ACROSS UGANDA

UGANDA LAW SOCIETY
P.O.BOX 426, KAMPALA
10 SEP 2025
Time: 2:20 p.m
RECEIVED

TO : The Secretary and Council, Uganda Law Society

FROM: Advocate Mary Goretti Nakamya Ssenyange and the Undersigned Members of the ULS

DATE: 10th September 2025

WHEREAS the Radical New Bar (RNB) Governing Council of the Uganda Law Society (ULS), which was overwhelmingly elected by members on 28 September 2024, has managed to secure the lifting of a draconian gag order on members' voices, such that any 15 members of the ULS can now requisition a General Meeting;

AND WHEREAS the undersigned, Mary Goretti Nakamya Ssenyange, an advocate and member in good standing of the Uganda Law Society, together with other undersigned ULS members, hereby requisition an extraordinary general meeting of the Uganda Law Society to address an urgent matter of public and professional concern;

AND WHEREAS the Uganda Law Society, as the national Bar Association, is mandated under Section 3 of the Uganda Law Society Act to protect and assist the public in Uganda in all matters touching, ancillary, or incidental to the law, and to represent, protect, and assist members of the legal profession as regards conditions of practice;

AND WHEREAS the appalling state of sanitation facilities, including toilets, washrooms, latrines, and related amenities in court precincts across Uganda, constitutes a grave violation of constitutional rights, undermines the dignity of court users, and erodes public confidence in the Judiciary's ability to deliver justice;

NOW THEREFORE, we, the undersigned members of the Uganda Law Society, hereby requisition an extraordinary general meeting to address the following pressing issue and propose resolutions to compel immediate action by the Judiciary and Government:

OBJECT OF THE MEETING: ADDRESSING THE APPALLING STATE OF SANITATION FACILITIES IN COURT PRECINCTS

The object of this requisition is to raise the alarm and call upon the Top Management of the Judiciary to prioritize a clean, safe, and healthy environment for all court users without discrimination, in line with the constitutional rights enshrined under Articles 24, 27, 39, and 40(1)(a) of the Constitution of the Republic of Uganda, 1995. We specifically decry the deplorable state of toilets, washrooms, latrines, and sanitation facilities in court precincts across all divisions, circuits, and magisterial areas, which offend the principles of dignity, equity, and professionalism that the legal profession upholds.

STATEMENT OF CONCERN

The sanitation facilities in most courts across Uganda are in an appalling state, characterized by:

1. **Inadequate and Discriminatory Access:** In many courts, there is often only one hygienic facility, typically a flush toilet, reserved exclusively for judicial officers and their clerical staff, with keys withheld from other court users, including lawyers, litigants, and court staff. Lawyers and the public are forced to use dilapidated "outside" facilities, often pit latrines, which are poorly maintained or entirely non-functional.
2. **Deplorable Conditions:** These facilities are frequently characterized by broken plumbing, lack of running water, faeces on walls and floors, and absence of basic cleaning supplies. The stench and filth render them unfit for human use, posing significant health risks.
3. **Gender-Specific Impacts:** Women and girls, including female lawyers, litigants, and court staff, are disproportionately affected. Many facilities lack separate toilets for men and women, forcing them to share spaces, which compromises privacy and safety. There is a notable absence of equipment for the disposal of sanitary pads, exacerbating health risks such as urinary tract infections (UTIs) and other opportunistic infections.
4. **Sexual Harassment and Gender-Based Violence:** The lack of safe, private sanitation facilities increases the vulnerability of women and girls to sexual harassment and gender-based violence in court precincts, retraumatizing victims of such abuses who are already seeking justice.
5. **Impact on Children:** Children accompanying litigants or appearing as parties in court face heightened health and safety risks due to the unsanitary conditions, further violating their right to dignity and a safe environment.
6. **Erosion of Public Confidence:** The deplorable state of court facilities undermines the public's trust in the Judiciary's ability to deliver "clean and clear justice." Clients undervalue the legal profession and lose confidence in the courts' integrity when judicial officers operate in environments that fail to uphold basic standards of hygiene and dignity.

CONSTITUTIONAL VIOLATIONS

The current state of sanitation facilities in court precincts violates several provisions of the Constitution of the Republic of Uganda, 1995:

- **Article 39:** The right to a clean and healthy environment is infringed by the unsanitary conditions in court facilities, which pose direct health risks to all users.
- **Article 40(1)(a):** The right of persons to work under satisfactory, safe, and healthy conditions is denied to lawyers, court staff, and judicial officers forced to operate in such environments.
- **Article 24:** The right to respect for human dignity and protection from inhuman treatment is undermined by forcing court users to endure filthy and unsafe sanitation facilities.
- **Article 27:** The right to personal privacy, particularly for women and girls, is violated by the lack of private, safe, and gender-sensitive facilities.

FINANCIAL MISMANAGEMENT AND ACCOUNTABILITY

Despite significant budgetary allocations to the Judiciary, the persistent neglect of sanitation facilities raises serious questions about financial accountability. According to publicly available information:

- The Judiciary's budget for the Financial Year 2024/2025 includes substantial allocations for infrastructure development and maintenance, yet court sanitation facilities remain in disrepair across all divisions, circuits, and magisterial areas.

- Reports indicate that the Judiciary has received funding for court infrastructure improvements, yet the sanitation crisis persists, suggesting possible mismanagement or misprioritization of resources.
- The failure to address this "open secret" reflects a lack of commitment to the principles of transparency, accountability, and public service that the Judiciary is mandated to uphold.

IMPACT ON THE LEGAL PROFESSION AND JUSTICE DELIVERY

The deplorable sanitation conditions:

- Undermine the dignity and professionalism of advocates, who are forced to operate in environments that do not reflect the stature of the legal profession.
- Compromise the health and safety of court users, particularly women and children, leading to increased incidences of UTIs, other infections, and psychological distress.
- Retraumatize victims of sexual and gender-based violence, who face further indignity and vulnerability in court precincts.
- Erode public confidence in the Judiciary's ability to uphold the rule of law and deliver justice in an environment that fails to meet basic standards of hygiene and safety.

PROPOSED RESOLUTIONS

To address this crisis and compel immediate action, we propose the following resolutions for consideration and adoption at the extraordinary general meeting:

1. **Immediate Audit and Assessment of Court Sanitation Facilities:**
   That the Uganda Law Society shall call upon the Judiciary to conduct an urgent, independent audit of all sanitation facilities in court precincts across Uganda, to be completed within 90 days. The audit shall document the state of facilities, identify health and safety risks, and propose a prioritized action plan for rehabilitation, with a focus on gender-sensitive facilities.

2. **Engagement with Judiciary Top Management:**
   That the ULS Council shall formally engage the Chief Justice and the Principal Judge to present a comprehensive report on the sanitation crisis, demanding immediate action to ensure clean, safe, and accessible facilities for all court users. The ULS shall request a timeline for implementation and regular progress reports.

3. **Public Interest Litigation:**
   That the ULS shall institute a public interest lawsuit to enforce the rights under Articles 24, 27, 39, and 40(1)(a) of the Constitution, seeking court orders to compel the Judiciary and Government to allocate sufficient resources for the rehabilitation of court sanitation facilities and to ensure compliance with constitutional standards.

4. **Advocacy and Public Awareness Campaign:**
   That the ULS shall launch a nationwide campaign, in collaboration with civil society organizations, to raise awareness of the sanitation crisis in courts and its impact on justice delivery. The campaign shall include:
   - Media engagements to highlight the plight of court users, particularly women and children.
   - Public forums to gather testimonies from affected court users and amplify their voices.
   - A hashtag campaign (e.g., #JusticeInCleanCourts) to galvanize public support and pressure the Judiciary and Government.

5. **Partnership with Health and Gender Organizations:**
   That the ULS shall partner with health organizations, women's rights groups, and child protection agencies to conduct health screenings for court users affected by UTIs and other infections caused by poor sanitation, and to provide legal aid to victims of sexual harassment or gender-based violence linked to unsafe court facilities.

6. **Budget Advocacy:**
   That the ULS shall engage the Ministry of Finance, Planning and Economic Development and Parliament to advocate for a specific budget line in the Judiciary's annual allocation dedicated to the maintenance and upgrading of sanitation facilities, with clear accountability mechanisms to prevent mismanagement.

7. **Gender-Sensitive Infrastructure Guidelines:**
   That the ULS shall develop and propose mandatory guidelines for gender-sensitive court infrastructure, including separate, safe, and well-equipped sanitation facilities for women and men, with provisions for sanitary pad disposal and accessibility for persons with disabilities.

8. **Monitoring and Accountability Mechanism:**
   That the ULS Council shall establish a standing committee to monitor the state of court sanitation facilities, conduct periodic inspections, and report findings to the ULS membership and the public. The committee shall liaise with the Judiciary to ensure compliance with agreed reforms.

9. **Professional Boycott as a Last Resort:**
   Should the Judiciary fail to act within a reasonable timeframe (e.g., 180 days), the ULS shall consider a resolution to mobilize its members to boycott court appearances in facilities deemed unfit for use, as a means of protecting the health, safety, and dignity of advocates and court users, while ensuring minimal disruption to justice delivery.

CALL TO ACTION

The appalling state of sanitation facilities in Uganda's courts is an affront to the rule of law, the dignity of the legal profession, and the rights of all court users. It is an open secret that cannot be ignored any longer. The Uganda Law Society, as the voice of the legal profession and a champion of justice, must take bold and decisive action to compel the Judiciary and Government to act.

WE, the undersigned, call upon the ULS Council to convene this extraordinary general meeting within 14 days, as required by Section 16 of the Uganda Law Society Act, to deliberate on this matter and adopt the proposed resolutions. We further urge all members of the ULS to join this cause to restore dignity, uphold constitutional rights, and ensure that the courts of Uganda reflect the principles of justice, equity, and professionalism that we stand for.

PREAMBLE

WHEREAS, the Uganda Law Society (ULS), established under the Uganda Law Society Act, Cap. 305, is mandated to promote the interests of its members, uphold the rule of law, and safeguard the independence of the legal profession in Uganda;

WHEREAS, the election of Mr. Isaac Ssemakadde SC as President of the ULS on September 28, 2024, ushered in a transformative agenda under the "Radical New Bar," aimed at decolonizing, democratizing, demilitarizing, and digitally transforming the legal profession;

WHEREAS, the ULS Council and its President have since faced unprecedented challenges, including multiple legal actions perceived as attempts to undermine the leadership's reform agenda, such as:

- Judicial Review Cause No. 0049 of 2024: Pheona Nabasa Gladys Wall v. ULS & Another;
- High Court Miscellaneous Cause No. 0263 of 2024: Mugisha Hashim v. Uganda Law Society & 7 Others;

- Consolidated Miscellaneous Applications No. 1243 & 1262 of 2024: Mugisha Hashim v. Uganda Law Society & 7 Others;
- Miscellaneous Application No. 49 of 2025: Hashim Mugisha v. Isaac Ssemakadde;
- Criminal proceedings at Buganda Road Chief Magistrate's Court for alleged contempt of court and insulting the modesty of a public official;
- Judicial Review Cause No. 228 of 2024. challenging Executive Order RNB No. 1 of 2024, which expelled the Attorney General and Solicitor General from the ULS Council; and other related suits;

WHEREAS, these legal actions have resulted in a two-year contempt of court sentence issued against President Ssemakadde on February 14, 2025, by Justice Musa Ssekaana, accompanied by arrest warrants, which have severely curtailed the liberty of the ULS President and consigned him to exile.

WHEREAS, the Judiciary's leadership has adopted an adversarial stance toward the ULS and its President, exemplified by:

- The Chief Justice's decision on February 7, 2025, to prohibit President Ssemakadde from speaking at the New Law Year ceremony and threatening to exclude the ULS from what was described as "his home";
- The Deputy Chief Justice's letter of July 7, 2025, arbitrarily removing ULS appeals, including President Ssemakadde's appeal, from the Court of Appeal cause list;

WHEREAS, these actions constitute a concerted assault on the independence of the ULS, undermining its democratic mandate, eroding confidence in the legal profession, and impeding its role as a defender of the rule of law;

WHEREAS, Section 16 of the Uganda Law Society Act, Cap. 305, empowers members to requisition an Extraordinary General Meeting to address matters of critical importance to the Society;

NOW THEREFORE, we, the undersigned members of the Uganda Law Society, in exercise of our rights under Article 29(1)(a) and (e) of the Constitution of the Republic of Uganda, 1995, and Section 16 of the Uganda Law Society Act, Cap. 305, hereby petition the ULS Council to convene an Extraordinary General Meeting to address urgent matters affecting the Society and its leadership.

THE OBJECT OF THE PROPOSED MEETING:

The Extraordinary General Meeting shall deliberate and resolve the following critical matters affecting the governance, integrity, and autonomy of the Uganda Law Society:

1. To receive and scrutinize a detailed report on the ULS's financial status, including debts incurred for the completion of the ULS head office, the development of amenities such as the library, and other infrastructural projects, to ensure transparency and fiscal responsibility.
2. To evaluate a comprehensive report from President Isaac Ssemakadde SC and the ULS Council on the achievements, challenges, and governance status under the "Radical New Bar" agenda, focusing on efforts toward decolonization, democratization, demilitarization, and digital transformation.
3. To receive a detailed briefing from the advocate(s) representing the ULS and its President in all pending legal proceedings, including strategies to safeguard the Society's interests and protect its leadership from unwarranted legal and extralegal attacks.
4. To deliberate on legal and extralegal actions, including those orchestrated by a section of the ULS membership, aimed at undermining the Society's independence and leadership, and to propose robust measures to counter these threats while upholding the rule of law.
5. To adopt a strategic roadmap to fortify the ULS's institutional framework, consolidate the gains of the current leadership, and address internal and external threats to its autonomy and mandate.
6. To consider any other matters proposed and approved by members present at the meeting, in accordance with the Uganda Law Society Act and its regulations.
7. To ensure that all resolutions adopted at the meeting are promptly communicated to the general membership of the ULS, Judiciary, Government, international community and the public to promote transparency and accountability.

Members' Petition/Requisition for a general meeting on annual ULS Council elections 2025

PETITION/REQUISITION FOR A GENERAL MEETING TO DISCUSS AND/OR FACILITATE THE CONDUCT OF ANNUAL COUNCIL ELECTIONS

UGANDA LAW SOCIETY
P.O.BOX 426, KAMPALA
28 AUG 2025
Time:...10:42 am
RECEIVED

Reference is made to the above captioned matter.

Background

The tenure of the current Uganda Law Society (ULS) Council expires on **September 27, 2025**. However, less than a month left to the expiry of the tenure of the current ULS COUNCIL, there are no concrete preparations to conduct the annual elections for the ULS council despite the ULS Elections Committee asking the current council to facilitate the electoral program.

The ULS Vice President, Asiimwe Anthony, has been spending money and other resources of ULS but is dithering to spend on statutory annual elections under the pretext that an existent order restrains any general meeting of the ULS.

That is false. There is no order of any court injuncting an annual general meeting of the ULS. The orders that exist are specific and narrowly tailored to restrain specific meetings that were slated on specified dates for specified issues.

Power abhors a vacuum. We cannot incentivize or countenance a stalemate in the ULS that grounds and numbs the Society into a state of the imbroglio of a leadership dearth.

Let democracy flourish with a general meeting that discusses and charts a radical way forward that ensures members participate in choosing their leaders.

That is why we the undersigned members are demanding for a general meeting to facilitate and deliberate upon all matters relating to the election of council in accordance with Section 9 of the Uganda Law Society Act.

REQUISTION

Accordingly, we requisition a **general meeting** to:

a) Debate and resolve the issues of the election of council in accordance with **Section 9 of the Uganda Law Society Act**;

Members' Petition/Requisition for a general meeting on annual ULS Council elections 2025

b) To discuss and resolve any matter incidental thereto.

The purpose of this communication is, pursuant to **Section 16 of the Uganda Law Society Act, Cap 276** to:

1. Request for the urgent holding of a General Meeting on the captioned matter;

2. Avail you with the enclosed signatures in support of the petition/requisition for a General Meeting.

3. Request for the immediate circulation of this petition/requisition among ULS members.

We look forward to fruitful a General Meeting.

Sincerely,

Aryampa Brighton
