EXECUTIVE ORDER
RNB NO. 11 OF 2026

SUSPENSION OF PHYSICAL OPERATIONS AT ULS HOUSE TO PROTECT THE SOCIETY'S PERSONNEL AND OPERATIONS

WHEREAS, the Uganda Law Society Council has issued clear and timely guidance through the statements **"No one is safe"** (28 June 2026) and **"Practicing Law amid Military Rule"** (5 February 2026);

WHEREAS, prevailing security and political conditions present credible risks to the safety of staff, members, and stakeholders;

WHEREAS, the Society has a duty to protect its personnel and ensure uninterrupted delivery of essential services through prudent business continuity measures;

NOW, THEREFORE, by resolution of the Governing Council of the Uganda Law Society, led by Radical New Bar President Isaac K. Ssemakadde SC, it is hereby **ORDERED** as follows:

Section 1.
All physical administrative operations at ULS House are hereby suspended until further notice. This measure shall remain in effect as a necessary risk mitigation and business continuity action.

Section 2.
All departments, including Finance & Administration, Human Resources, Members' Affairs, Communications, IT, Procurement, and Professional Development, shall continue operating remotely to maintain full service delivery.

Section 3.

The **Legal Aid Project (LAP)** shall remain in physical operation at ULS House (Secretariat) and at all LAP offices nationwide. Clients shall maintain direct contact with their assigned legal officers, and members of the public may continue to access legal support through LAP clinics. LAP shall progressively digitize case intake, case tracking, and client communication within the next twelve (12) months.

Section 4.

The launch of **#TechFest2026** — the Radical New Bar (RNB) Digital Transformation Festival — and the RNB capstone project to support law firms across Uganda in their migration to fully paperless operations shall proceed as scheduled, advancing the profession's long-term resilience.

Section 5.

This Executive Order shall take immediate effect and shall be published immediately on the ULS website and circulated by official email to all ULS members.

The Society shall continue to monitor the situation closely and will issue updates on the possible resumption of physical operations at ULS House through its official channels as and when circumstances permit.

Issued by the ULS Council electronically this 29th day of June, 2026.
